

2023-24 WINTER HIKES & EVENTS

Love the land. Pass it on.

The Grand Traverse Regional Land Conservancy works to balance public access and use with protecting natural features, unique habitats, and scenic beauty on conservation lands. To help people engage on the land, the Conservancy offers many educational hikes and other events as well as volunteer opportunities throughout the year. We sincerely hope you will join us!

Registration is appreciated but not required. Cancellations due to weather, changing COVID-19 restrictions, or any other reason will be communicated with registered participants via email.

GRATITUDE GATHERINGS

Thursdays, November 30 - January 11: 1-3PM

Every year the Conservancy sends out appeals for support to further our mission of protecting land, and every year we are overwhelmed with gratitude for the generosity of our donors. We have found that spending time writing simple yet personal "thank you" notes for our donors is a fantastic way to share our appreciation.
